**1.0 Expected Outcome**

1.1 This report provides a summary of the progress against the Internal Audit Annual Plan to date in 2019/20. It provides the Committee with assurance through the individual internal audit reports for work carried out to date.

**2.0 Recommendation**

**2.1 Members of the Audit Committee are asked to note:**

- The progress achieved in 2019/20 in delivering the Audit Plan and the outcomes of completed audit reviews set out in **Appendix 1**.
- The attached audit reports at **Appendix 2**.

**3.0 Background and Proposals**

3.1 All local authorities must make proper provision for internal audit in line with the 1972 Local Government Act. The Accounts and Audit Regulations 2015 require that the Council undertakes an effective Internal Audit to evaluate the effectiveness of its risk management, internal control and governance processes, taking into account the Public Sector Internal Auditing Standards (PSIAS).

3.2 Internal Audit is responsible for providing independent assurance to the Council's senior management and to the Audit Committee on the systems of governance, risk management and internal control.

3.3 It is management's responsibility to establish and maintain internal control systems and to ensure that resources are properly applied, risks appropriately managed and that outcomes are achieved. Management is responsible for the system of internal control and should set in place policies and procedures to ensure that controls are operating effectively.

**4.0 Progress against the 2019/20 Internal Audit Plan**

4.1 The Internal Audit Plan was approved by the Committee in April 2019.

4.2 The progress report at Appendix 1 provides the Committee with a summary of the position as at 10<sup>th</sup> July 2019. The executive summaries for each completed review are included at Appendix 2.

## **5.0 Audit reports completed in the period**

5.1 Appendix 2 contains the executive summaries of the two audit report completed in the period:

- Empty Homes; and
- Cash Receipting – Car Parking.

## **6.0 Follow up of internal audit recommendations**

6.1 We would usually provide the Committee with the latest position relating to the implementation of outstanding recommendations. Unfortunately, the absence due to sickness of the auditor who was part way through undertaking this review means that we cannot provide an update at this meeting. An update has been undertaken by SLDC staff and is reported separately on this agenda. We will carry out an independent review and sign-off of these recommendations.

## **7.0 Alternative Options**

7.1 There are no alternative options; the Accounts and Audit Regulations 2015 require that the Council undertakes an effective Internal Audit to evaluate the effectiveness of its risk management, internal control and governance processes, taking into account the Public Sector Internal Auditing Standards (PSIAS).

## **8.0 Links to Council Priorities**

8.1 Internal Audit provides independent assurance on the Council's arrangements for governance, risk management and internal control in support of delivery of the Council's strategic priorities.
