Houses up to 300 square metres & Flats up to 3 storeys										
<p>The Building Regulation Charges are divided into a Plan and Inspection charge, or Building Notice charge. The basis of these charges are derived from Building (Local Authority Charges) Regulations 2010, valid from 1st April 2013.</p> <p>Full Plans - The Plan Charge must be paid at the time plans are deposited with the Council. An invoice for the inspection charge will be issued after the first inspection has been carried out.</p> <p>Building Notices - The charges must be paid at the time this notice is submitted to the Council. The Building Notice Charge is the combined Plan and Inspection Charge total inclusive of VAT. A Building Notice cannot be used for new houses where new roads or streets are to be constructed.</p> <p>Notes:</p> <p>1. The amount of the plan charge is based on the number of dwelling types contained in the application; the inspection charge is based on the total units in the project.</p> <p>2. For 5 or more dwellings or if the floor area of the dwelling exceeds 300m² or flats over 3 storeys, the charge will be individually determined.</p> <p>3. For electrical work not covered under a Competent Persons Scheme, the basic inspection charge per dwelling will be £270.00 including VAT (account will be given to repetitive work and a discount may be applied).</p> <p>4. Unless otherwise agreed, schemes exceeding one year in duration may be subject to an additional charge.</p>

<p>This charge covers hundreds of minor lettings, including garden tenancies, vehicular and pedestrian access to private property across Council-owned land. The original charge was set at £35 but has been increased over the years on a five year review pattern to the most recent level of £70 which was endorsed in May 2013. A review to Retail Price Index (RPI) now indicates that the charge should be increased to £79.42 p.a., Past practice shows that it is more sensible to increase the charge by small amounts at regular intervals because larger increases over longer periods always provoke more resistance.</p> <p>This charging policy is implemented by the Council's property agent (Lambert Smith Hampton) without any exceptions, although requests are regularly received to vary the policy.</p> <p>For the sake of clarity this policy will in the future be enforced at the level of £80pa subject to five yearly reviews in line with RPI for all minor</p> <p>a) the letting is to another public body which provides an access/service for an amenity or community related scheme;</p> <p>b) there are extenuating circumstances e.g. where the access or minor letting is for the benefit of a disabled person and there is no other</p> <p>In both cases the exception will only be agreed after consultation with SLDC's client officer (Operational Lead Delivery and Commercial</p>
