CUMBRIA CHOICE BASED LETTINGS
ALLOCATIONS POLICY REVIEW

Portfolio:	Councillor Jonathan Brook- Housing and Innovation Portfolio Holder
Report from:	Simon Rowley – Director of Customer and Commercial Services
Report Author:	Julie Jackson – Principal Specialist (People)
Wards:	All
Forward Plan:	Key Decision - Budget and Policy Framework Decision included in the Forward Plan as published on 26 May 2020

1.0 Expected Outcome

Approval of the Cumbria Choice Based Lettings Allocations Policy will ensure that there is greater clarity for households in South Lakeland who are currently registered for social housing or who may register in the future. The proposed policy will help to ensure that there is a consistent and fair approach amongst registered providers with regard to letting homes in South Lakeland to meet the greatest housing needs. The revisions will meet legislative changes relating to the Homelessness Reduction Act 2017 and resultant Statutory Guidance. It is expected that the proposed changes will simplify the operation of the policy to the benefit of all who use it and to customers.

2.0 Recommendation

2.1 It is recommended that Cabinet:

- (1) **Consider the consultation draft Cumbria Choice Allocations Policy and approve the approach outlined in paragraph 4.2 of the report for local consultation in South Lakeland.**

3.0 Background and Proposals

- 3.1 Operation of the Cumbria Choice Allocation Policy began in May 2011 and it has now been operational for a period of nine years. One of the key aims outlined in the current policy is to “improve the means by which local people in Cumbria gain access to social rented housing by providing a modern and easy to understand allocation system which allows choice and is fair, transparent and accountable”. The review has undertaken to streamline the Policy so that it is easier to understand and apply for people who need to access social housing and to the Registered Providers who administer the Scheme. Further aims are to “make best use of available housing stock” and to “to ensure that there is a social housing lettings service that embraces equality and diversity by being open and fully accessible to all individuals”.

- 3.2 The Cumbria Choice Based Lettings (CCBL) is a partnership, comprising the 6 housing authorities in Cumbria and 8 housing associations. It enables local authorities to hold a housing register, users to seek accommodation using a single application, and providers to allocate properties. The CCBL Partnership is governed by a Partnership Board comprising representatives from all of the Partners. Previously, local authorities had nomination agreements with Registered Providers and customers were required to fill in several applications if they wished to access social housing. According to the Partnering Agreement dated 28 July 2010, the Lead Authority with responsibility for management of the CCBL scheme is South Lakeland District Council. All local housing authorities are required to have an allocation scheme for determining priorities and procedures for the allocation of social housing in the authority area (regardless of whether the authority has its own housing stock).
- 3.3 The CCBL Allocations Policy has been reviewed on a number of occasions since its operation in May 2011 to keep in line with relevant legislation and statutory instruments, together with good practice in this area. The last review was undertaken in 2016. Following on from this there have been legislative change with the Homelessness Reduction Act 2017 and associated Code of Guidance and further Allocations regulations arising from the UK's exit from the EU issued 2019
- 3.4 In order to conduct the review of the current Policy, South Lakeland District Council led on a procurement exercise on behalf of the Board and appointed a consultant, Andy Gale (who led on the previous review) to undertake the review. Andy Gale has considerable experience in the field of allocations and homelessness. A Task and Finish Group was set up by the Board to help lead on this. The timescale for the Policy review is crucial as the changes need to feed into the procurement of a new IT platform. The contract for the current system expires 31 March 2021 and in order to ensure that the new system goes live on 1 April 2021, the procurement needs to be concluded by July 2020. This will allow the necessary implementation of the new system and migration of data as well as any training that is needed. The IT procurement has been included in the Council's Procurement Schedule for 2020 to 2021.
- 3.5 Any major change to the policy can only be made after a copy of the proposed amendments have been consulted on by sending to every Registered Provider Housing Association in Cumbria, regardless of whether an association is a participating member of the CCP. (Section s166A (13) Housing Act 1996). The Policy review has:
- Taken all the views of partners into account;
 - Considered consultation responses from a range of stakeholders undertaken by the Board as detailed in 4.0 and in line with the legislative requirements set out above in 3.3.
- 3.6 Following on from the consultation outlined in 4.0 below, there are a number of changes required (summarised in Appendix 1). The changes are to satisfy legislative change identified in 3.2 above, reduce any ambiguities in the operation of the policy so it is applied consistently and fairly, and to ensure greater clarity and simplicity. The full draft policy is attached at Appendix 2. Consultation responses from the Board consultation are attached at Appendix 3. Some headline figures are set out in Appendix 4.
- 3.7 As this is a common Allocations Policy all Partners have to seek approval from their representative organisations to enable the revised policy to be published by July 2020. This could result in some minor alterations arising after approval at Full Council. Therefore, it will be recommended that delegated authority be given to the

Director of Customer and Commercial Services, in consultation with the Portfolio Holder – Housing and Innovation to make minor drafting changes in light of any comments made by partners arising from their approval of the policy.

- 3.8 It is proposed that a local consultation be launched in South Lakeland to provide further opportunity for comments from key stakeholders including Members, Parish Councils and other stakeholders with an interest in social housing allocations from the statutory and voluntary sector.

4.0 Consultation

- 4.1 Board consultation has been held with key stakeholders April to 21 May 2020 as detailed in 3.5. Consultation was held with service users who acknowledged that they would be happy to take part in the review to identify improvements to the policy. All South Lakeland District Council Members and Parish Councils were consulted at this time.

- 4.2 It is proposed that a local consultation takes place in South Lakeland to capture any further views. The consultation responses and amended draft Policy can then be considered at the July Overview and Scrutiny Committee meeting and at the 22 July 2020 Cabinet meeting for recommendation to Council.

- 4.3 The Project Board considered the proposed changes at their meeting on 4 June 2020. The Equality Impact Assessment and Accessibility Policy is being reviewed and updated as part of this policy review. This is attached at Appendix 6.

- 4.4 The Portfolio Holder's Housing Advisory Group will be considering the proposed changes at a meeting of 17 June 2020. The Strategic Homelessness Group has not met and therefore the relevant stakeholders who attend this meeting have been consulted.

5.0 Alternative Options

- 5.1 Members could choose not to undertake a further local consultation. This is not recommended as due to the Covid-19 pandemic there were limited responses to the Board consultation process. The local consultation would give further opportunity for responses.

6.0 Links to Council Priorities

- 6.1 The proposed amendments to the policy will assist the Council in meeting the priority to provide 'Homes to Meet Need'.

7.0 Implications

Financial, Resources and Procurement

- 7.1 There are no financial implications to the Council in the adoption of the amended Allocation Policy.

Human Resources

- 7.2 Not applicable.

Legal

- 7.3 As a housing authority, the Council is legally required to have in place appropriate arrangements for the allocation of housing regardless of whether or not it owns its own housing stock. Providing it complies with its homelessness duties, it is largely open to the Council to decide the criteria to apply when allocating housing.

- 7.4 The revised Cumbria Choice Allocation Policy has been produced with full consideration of Local Authority and Housing Association legal responsibilities in relation to the allocation of housing including:
- The Housing Act 1996, Part 6 as amended by Localism Act 2011 (England)
 - The Housing Act 1996, Part 7 as amended by the Homelessness Reduction Act 2017
 - Allocation of Accommodation: Guidance for Local housing Authorities in England (2012, DCLG) “the Code”
 - Providing social housing for local people; Statutory guidance on social housing allocations for local authorities in England (DCLG, December 2013) “Supplementary Code”

Plus the following statutory regulations:

- a. Allocation of Housing (Procedure) Regulations 1997, SI 1997/483
- b. Allocation of Housing (England) Regulations 2002, SI 2002/3264
- c. Allocation of Housing and Homelessness (Eligibility) (England) Regulations 2006 SI 2006/1294 and all subsequent amendments
- d. Allocation of Housing (Qualification Criteria for Armed Forces) (England) Regulations 2012, SI 2012/1869;
- e. Housing Act 1996 (Additional Preference for Armed Forces) (England) Regulations 2012, SI 2012/2989.
- f. The Allocation of Housing (Qualification Criteria for Right to Move) (England) Regulations 2015
- g. The Allocation of Housing and Homelessness (Eligibility) (England) (Amendment) (EU Exit) Regulations 2019 (SI 2019/861)

In framing the allocations scheme regard has also been given to the Council’s Homelessness and Rough Sleeping Strategy, Housing Strategy, and Tenancy Strategy as well as the Equality Act 2010

- 7.5 Under the Equality Act 2010, the Council has a duty to ensure that any policies it adopts do not directly or indirectly discriminate against any particular groups of people. The Council has undertaken an equality impact assessment to ensure that the policy is fair to all customers and to demonstrate that the Council has discharged its public sector equality duty in this respect.

Health, Social, Economic and Environmental

- 7.6 Have you completed a Health, Social, Economic and Environmental Impact Assessment? — Yes (attached at Appendix 5)
- 7.7 Summary of health, social, economic and environmental impacts: It is considered that the revisions to the policy will have a positive effect on meeting housing need, improving transparency and consistency in the application of the Policy

Equality and Diversity

- 7.8 Have you completed an Equality Impact Analysis— Yes (attached at Appendix 6)
- 7.9 Summary of equality and diversity impacts:
It is considered that the revisions to the policy will address potential negative impacts on protected characteristics by providing a clearer and more consistent approach to the allocation of social housing.
