Risk Management Update

Portfolio:	Councillor Giles Archibald - Leader and Promoting South Lakeland
Report from:	Simon McVey - Operational Lead Support Services
Report Author:	John Davies – Case Management Support Services
Wards:	(All Wards)
Forward Plan:	Not applicable

1.0 Expected Outcome

It is expected that Audit Committee will be updated with the Strategic Risk Register, including the continuous and active management of the risks.

2.0 Recommendation

2.1 It is recommended that Audit Committee note the Strategic Risk Register in appendix 1 of this report

3.0 Background and Proposals

- 3.1 Risk Management is a vital organisational control and is a key part of the Council's governance arrangements.
- 3.2 The Strategic Risk Register contains all those risks above and below the line of risk tolerance.
- 3.3 Risk Owners attend Audit Committee to support discussion and queries on the risks and their mitigations.
- 3.4 All risks above the line of tolerance have mitigations listed. These mitigations are designed to reduce the risks in terms of likelihood or impact or both.
- 3.5 The aim of mitigations is to reduce a risk from the current position on the risk matrix to the target position.
- 3.6 A risk should reach its target position by the target date. For a risk to be managed on schedule the mitigations must be implemented by their due dates. Not completing mitigations on time places a risk in exception.
- 3.7 Risks are highlighted with exception status as part of quarterly performance reporting arrangements. A risk is only removed from the register (archived) if there is no longer any risk. Please see the Risk Register at appendix 1.
- 3.8 Audit Committee of 23 April 2015, Item AUD/55 required sight of the full register to satisfy the committee that strategic risks are being managed.
- 3.9 Following a review of the risks it can be seen that Covid-19 has a negative impact with about 65% of the Strategic Risks now positioned above risk tolerance. This is a

reversal of the situation before Covid-19 where the same proportion of risks were below risk tolerance. The Council is continually reviewing and mitigating against these risks.

4.0 Consultation

4.1 The Strategic Risk Register is reviewed by Corporate Management Team each quarter as part of quarterly performance monitoring and reporting arrangements and reviews inform this report.

5.0 Alternative Options

5.1 No alternative options – the Audit Committee requires that risk management arrangements are effective.

6.0 Links to Council Priorities

6.1 Risk management arrangements underpin the achievement of all priorities.

7.0 Implications
