3.0 Background and Proposals

3.1 The Leader at the last meeting of Council requested that officer recalculate the political balance and the allocation of seats due to the resignations of 3 Councillors.

3.2 Under Sections 15 to 17 of the Local Government and Housing Act 1989 all principal councils if requested to must ensure that their committees and sub-committees reflect the make-up of the political Groups on the Council as a whole. This is calculated on the proportion of councillors and their groups to the number of councillors as a whole. Only Groups are the subject of the calculation and to be legally a group there must be 2 or more members.

3.3 In addition a Council must determine the allocation of seat on its committees. There are clear rules on committee proportionality which have been applied. The review has been carried out and the rules have been applied and meetings have taken place with the Party Leaders and Cllr Filmore has been consulted. The allocation attached has been agreed by the Party Leaders and Cllr Filmore.

4.0 Consultation

4.1 Meetings and discussions regarding the proposed allocation of seats and changes to Committees have taken place regarding the proposed changes consultation has taken place the Leaders of all Political Parties and Cllr Filmore. All have agreed the details contained within the attached Appendix. All Party Leaders have agreed to notify the Monitoring Officer of any required changes to committee membership arising from the changes.

5.0 Alternative Options

5.1 There are no alternative options, having requested a review of the size and allocation of seats Officers are required to report back to Council for approval to allocate the size and allocation of seats.

6.0 Links to Council Priorities
