

EMERGENCY DELEGATED EXECUTIVE DECISION

In accordance with the Leaders decision and noted by Cabinet on 25/03/2020 to delegate to the Chief Executive any executive decision in this COVID 19 Global pandemic emergency or that is urgent or that would be necessary or expedient, or which would otherwise protect the Council's interests, including key decisions.

South Lakeland District Council Emergency Delegated Executive Decision Local Restrictions Support Grants (Closed)

Date: 13/11/2020

Reference: 011

Reason for emergency

The Chief Executive received emergency delegated executive decision making powers on the 25th March 2020. It is considered that this decision is necessary or arises from the global COVID-19 pandemic.

The matter is urgent, necessary and expedient and is needed to protect the Council's interests.

The decision is required to be taken due to the Government's recent announcement for a new package of financial support grants for businesses that will be administered by local authorities. Funding will be provided by the Government for the new support grants for businesses due the announcement of a second national lockdown. The Government have requested the grants are processed and paid as soon as possible, with the funding expected to be paid to the Council by 13th November 2020. It is expected that the payment of grants will ease financial pressures for eligible businesses.

Due to the timing of the receipt of the Government Guidance (announced 30th October 2020) and the date of the next Cabinet meeting being on 25th November 2020, we require an emergency decision.

This is a Key Decision: **Yes**

1.0 Reasons for Proposed Decision and Expected Outcome

- 1.1 Due to the second national lockdown announced on 30th October 2020 and planned between 5th November 2020 and 2nd December 2020 with the possibility of the UK Government extending the lockdown beyond this date dependent on the Coronavirus

infection rate. We require a process and policy regarding the administration of the grants.

- 1.2 Many businesses have been mandated to close which will have a severe impact on businesses who will see a significant reduction in income as a result of new national restrictions.
- 1.3 The Local Restrictions Support Grants (Closed) **LRSB (C)** has been announced by Government to businesses who have had to close or who will be significantly impacted by the lockdown (supply chain businesses etc)
- 1.4 South Lakeland District Council has been granted **£6,746,544** for Local Restrictions Support Grants (Closed) from Government to distribute to eligible businesses under this scheme.
- 1.5 The LRSB grant scheme follows the Government-funded Small Business Grant Fund (SBGF) Retail, Hospitality and Leisure Grant Fund, (RHLGF), Local Authority Discretionary Grant Fund (LADGF) that were administered by local authorities following the first national lockdown in March 2020.
- 1.6 SLDC will distribute grant funding to eligible businesses through an online application and validation process, used in the aforementioned grant schemes. There will be a fasttrack process for businesses that applied last time.
- 1.7 It is expected that the payment of grants will ease financial pressures for eligible businesses. This decision will contribute significantly in assisting businesses during COVID-19, helping with job retention and business viability in difficult circumstances and avoiding economic collapse by giving additional resources to businesses with properties within the district.

2.0 Proposed Decision

2.1 It is recommended that the Chief Executive:-

- (1) Approve the Local Restrictions Support Grants (Closed)**
- (2) That a non-executive emergency decision is taken to confirm appropriate budgets be established outside the approved budget and policy framework to receive the grant funding and distribute funds as per Government guidance; and**
- (3) Agree to delegate the identification, determination and payment of the grants in accordance with the scheme (see Appendix 1) to qualifying businesses to the Operational Lead for Specialist Services.**
- (4) Delegates to the Operational Lead for Specialist Services, in consultation with the Portfolio Holder for Finance and Resources, authority to make any amends to the LRSB(C) to reflect future changes in Government guidance.**

3.0 Background and Proposals

- 3.1 The government has announced Local Restrictions Support Grants (Closed) **LRSB (C)** to be targeted at businesses with rateable values that have been forced to close for the duration of the national lockdown.

The grant levels apply to LRSB (Closed) as follows:

- Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £15,000 or under on the date of the commencement of the widespread national restrictions will receive a payment of £1,334 per 28-day qualifying restriction period.
- Businesses occupying hereditaments appearing on the local rating list with a rateable value over £15,000 and less than £51,000 on the date of the commencement of the widespread national restrictions will receive a payment of £2,000 per 28-day qualifying restriction period.
- Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £51,000 or above on the commencement date of the widespread national restrictions, will receive £3,000 per 28-day qualifying restriction period.

During the lockdown, a single grant to cover the four-week period will be paid to each eligible business. The grant amounts will be fixed. Businesses with more than one qualifying property will receive more than one grant.

3.2 Please see Appendix 1 for the South Lakeland LRSG(C)

4.0 Consultation

4.1 A common and consistent approach has been agreed by all District Councils in Cumbria, allowing for specific references to business sectors within districts to support their own local economic make up.

4.2 A working group of officers including specialists and case managers have agreed the process for collecting information and administering payment of grants.

4.3 The Portfolio Holder for Finance and Resources, the Leader of the Council and Cabinet have been consulted on the detail of this decision and appended guidance.

5.0 Alternative Options

5.1 SLDC do not accept this funding: this would not comply with the request from Government and would not give critical support to businesses operating within South Lakeland, and therefore this is not a recommended option.

5.2 SLDC administer grants beyond the scheme set out by Government: this is not affordable for the Council, and therefore is not the recommended option.

6.0 Links to Council Priorities

6.1 Supporting our Economy: To aid job retention and business viability in difficult circumstances; avoiding economic collapse and enhancing the culture of the district by giving additional resources to businesses, including eligible cultural organisations, with properties within the district.

7.0 Implications

1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Local Restrictions Support Grant Scheme (Closed). It also includes details of changes to that scheme where a widespread national lockdown is declared (Local Restrictions Support Grant Scheme (Closed) Addendum).
- 1.2 The grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 9th September 2020 (and subsequently amended in October 2020 and November 2020) which sets out circumstances whereby a grant payment may be made by the Council to a business which has to close due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will be the Council's responsibility, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application. The Department has also indicated the types of business which should be given the grant.
- 1.4 The scheme applies where local restrictions are put in place **or** where a widespread national lockdown is announced.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 National restrictions are nationally binding restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.
- 1.7 Grants under this scheme will be available for the 2020/21 financial year only
- 1.8 No grant shall be paid for any period where the localised restrictions were in place prior to 9th September 2020. Where there is no local restriction, grants shall only be paid where there is a widespread national restriction.
- 1.9 Where any area enters either a localised restriction or where a widespread national restriction applies, additional assistance may be given to businesses under the Council's Additional Restrictions Grant (ARG) Scheme.

2.0 Funding

- 2.1 Local Authorities, subject to local eligibility, will receive funding to meet the cost of payments to businesses within the business rates system based on an assessment of the number of eligible business hereditaments.

3.0 Eligibility criteria and awards

- 3.1 Government, whilst wanting Councils to exercise their local knowledge and discretion, has set national criteria for the funds. In all cases, the Council will only consider businesses for grants where **all** of the criteria are met. Businesses will only be eligible where they are trading **on** the date of the announcement of either the local restriction or widespread national restrictions.
- 3.2 The Department for Business, Energy & Industrial Strategy (BEIS) has stated that businesses that were open as usual and providing **in-person services** to customers from their business premises and then required to close for a consecutive period of no less than 14 days as a result of regulations made under the Public Health (Control of Disease) Act 1984 will be eligible for this funding.
- 3.3 Where there is a widespread national restriction, business premises will be required to close for the entirety of the national restriction period.
- 3.4 Guidance from the Department states that this could include, non-essential retail, leisure, personal care, sports facilities and hospitality businesses that operate primarily as an in-person venue but have been forced to close these services.

Local restrictions awards and frequency of payment

- 3.5 Businesses which are forced to close in a localised restriction (LCAL3) that is implemented for less than two weeks and businesses that are closed for less than two weeks are not eligible for grant funding.
- 3.6 The amount of grant and the frequency of awards in respect of local restrictions are fixed as follows:
- (a) Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £15,000 or under on the date of the commencement of the local restrictions will receive a payment of £667 per 14-day qualifying restriction period;
 - (b) Businesses occupying hereditaments with a rateable value of over £15,000 and less than £51,000 will receive a payment of £1,000 per 14-day qualifying restriction period; and
 - (c) Businesses occupying hereditaments with a rateable value of £51,000 or over will receive a payment of £1,500 per 14-day qualifying restriction period.
- 3.7 It should be noted that, in the case of local restrictions, grants will be paid every two weeks.
- 3.8 Any business failing to meet the criteria will not be awarded a grant.

National restrictions awards and frequency of payment

- 3.9 Where there are widespread national restrictions, the Local Restrictions Support Grant (Closed) scheme will move from a 14-day payment cycle to an alternative payment cycle.
- 3.10 For the national restriction from 5th November 2020 to 2nd December 2020, a 28-day payment cycle will be applied.
- 3.11 The amount of grant and the frequency of awards in respect of the national restriction are fixed as follows:
- (a) Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £15,000 or under on the date of the commencement of the widespread national restrictions will receive a payment of £1,334 per 28-day qualifying restriction period;
 - (b) Businesses occupying hereditaments appearing on the local rating list with a rateable value over £15,000 and less than £51,000 on the date of the commencement of the widespread national restrictions will receive a payment of £2,000 per 28-day qualifying restriction period; and
 - (c) Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £51,000 or above on the commencement date of the widespread national restrictions, will receive £3,000 per 28-day qualifying restriction period.
- 3.12 At the end of any widespread national restriction, businesses may qualify for further grants depending on the LCAL that applies to the area at that time and the schemes in operation by the Council.

Businesses that are not shown in the local rating list

- 3.13 Businesses which are not shown in the local rating list may be able to apply for an award under the Council's Additional Restrictions Grants (ARG) Scheme.

Excluded businesses - both local and national restrictions

- 3.14 The following businesses will **not** be eligible for an award:
- (a) Businesses that are able to continue to trade because they **do not depend** on providing direct **in-person services** from premises and can operate their services effectively remotely (e.g. accountants, solicitors);
 - (b) Businesses in areas outside the scope of the localised restrictions, as defined by Government (and not subject to a widespread national restriction);
 - (c) Businesses that have chosen to close but not been required to, will not be eligible;
 - (d) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework;
 - (e) Businesses that were in administration, are insolvent or where a striking-off notice has

- been made at the date of the local restriction or national restriction; and
- (f) Specific businesses subject to national closures since 23rd March 2020 will not be eligible for this funding. They will be provided support through the strand of the Local Restrictions Support Grant (Sector) for nationally mandated business closures. However, In the event of renewed widespread national 'lockdown' restrictions being imposed, the Local Restrictions Support Grant (Sector) will cease to apply, as relevant businesses will receive funding from the Local Restriction Support Grant (Closed) Scheme.

The Effective Date

3.15 The effective date for eligibility is determined as follows:

- (a) In the case of local restrictions, the date of the local restrictions; and
- (b) In the case of widespread national restrictions, the date of the commencement of the widespread national restrictions.

3.16 In **all** cases, the following must have existed at the effective date:

- The hereditament **MUST** be shown in the local rating list as at the effective date;
- Any changes to the local rating List (Rateable Value or to the hereditament) after that date, including changes which have been backdated to this date, will be ignored for the purposes of eligibility;
- The Council is not required to adjust, pay or recover grants where the local rating list is subsequently amended retrospectively to the effective date;
- In cases where it was factually clear to the Council that, at the effective date, the local rating List was inaccurate on that date, the Council *may* withhold the grant and/or award the grant based on their view of who would have been entitled to the grant had the list been accurate. (The Department for Business, Energy and Industrial Strategy (BEIS) has stated that this provision is entirely at the discretion of the Council and is **only** intended to prevent manifest errors. It is not intended for ratepayers who subsequently challenge their Rateable Value); and
- Where a hereditament is exempt from rating as at the effective date, no grant shall be payable.

The Ratepayer

3.17 In **all** cases the following shall apply:

- The person who will receive the grant will be the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date;
- The ratepayer must be liable to occupied property rates at that date. It should be noted that grants will not be awarded where the hereditament is unoccupied;
- Where the Council has reason to believe that the information it holds about the ratepayer at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer;
- Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid; and
- Where any ratepayer misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take appropriate legal

action. Likewise, if any ratepayer is found to have falsified records in order to obtain a grant.
