**1.0 Expected Outcome**

1.1 This report is presented to Audit Committee to facilitate the ongoing review of the Audit Committee Risk Register.

**2.0 Recommendation**

**2.1 It is recommended that Audit Committee reviews and notes the updated Audit Committee Risk Register.**

**3.0 Background and Proposals**

3.1 The Risk Register was last reviewed on 17 September 2020 and has been brought back before the Committee with that meeting's recommendations included.

Appendix 1 shows the risks previously identified for the Audit Committee and those which have been archived. These risks have been reviewed and archived during the period the Committee has existed. These will continue to be reviewed annually.

3.2 The Committee at its meeting in September 2020 considered its three current risks:

3.2.1 **RISK AC 1:** The challenge from the committee is limited due to inexperience. The current likelihood was Very Low following completion of induction training by all Committee members.

3.2.2 **RISK AC 2:** This risk regards the ability of the Council to carry out its statutory requirements effectively due to limited resources as a result of the level of funding of local government. This risk is linked to the strategic risk around the Medium Term Financial Plan. The likelihood of this risk had been reduced to reflect the Council's robust financial planning process including the identification and delivery of savings. However, the risks have increased as the current financial situation remains uncertain with the impact of Covid-19, delays to the expected implementation of 75% retention of business rates and the results of the fair funding review and uncertainty about the timing and content of the next government Spending Review.

**RISK AC 14:** The effectiveness of the Audit Committee is limited due to the impact of the Covid-19 pandemic. This includes the risk arising from the long gap between meetings of the Audit Committee (from December 2019 to September 2020), the risk arising from virtual meetings and the risk of

reduced support to the Committee due to increased service demands elsewhere in the organisation.

No changes are proposed to these risks.

### 3.3 Previous risks that have been considered and archived are:

RISK AC 3: Members identified the risk regarding the statutory timetable for final accounts reporting from the 2017/18 accounts being a month earlier. This risk was archived in July 2019 following meeting the deadlines for 2 financial years.

RISK AC 4: External Auditor appointment. The Council joined the sector-led national procurement exercise run by PSAA and the external auditors were re-appointed in December 2017.

RISK AC 5: Insufficient support/ backup provided to the committee: archived 19/6/08

RISK AC 6: The challenge from the committee is ineffective due to inexperience: archived on the 19/06/08

RISK AC 7: Officers do not recognise the importance of the Audit Committee: archived 10/2/11
