1. Introduction

1.1 Background

- 1.1.1 This report provides information on the monetary (and some non-monetary) contributions sought and received from developers for the provision of infrastructure to support development in South Lakeland (outside of the Lake District National Park and Yorkshire Dales National Park), and the subsequent use, or intended use, of those contributions by South Lakeland District Council (SLDC). It also provides a statement of the infrastructure projects or types of infrastructure which the Council as CIL charging authority intends will be, or may be, wholly or partly funded by CIL. The report covers the financial year 1 April – 31 March 2020.
- 1.1.2 South Lakeland District Council seeks developer contributions from two sources: through the Community Infrastructure Levy (CIL) established in 2015 and also Section 106 agreements (also known as “planning obligations”) with developers accompanying individual planning applications.

1.2 CIL

- 1.2.1 CIL was introduced in 2010 and has been charged in South Lakeland since June 2015. CIL is a set charge, based on the gross internal area floorspace of buildings, on new residential and supermarket development to help fund the infrastructure needed to address the cumulative impact of planned development in the South Lakeland Local Plan. Our CIL charging schedule, setting out our CIL charging rates, is available on our [website](#)¹. The current rate is £65.23/m² for residential development and £195.70/m² for supermarkets and retail warehouses.
- 1.2.2 Local planning authorities must use CIL to fund ‘the provision, improvement, replacement, operation or maintenance of infrastructure to support the development of the area’. There is also a neighbourhood portion of CIL – ‘Local CIL’ – which is similarly able to fund infrastructure but can also fund *‘anything else that is concerned with addressing the demands that development places on an area’*. Under ‘Local CIL’, a CIL charging authority must pass 15% of local CIL receipts to the Parish or Town council for the area where a CIL liable development takes place, rising to 25% if the parish has a Neighbourhood Plan in place. The Heversham and Hincaster Neighbourhood Plan was adopted in February 2017 and the Grange over Sands Neighbourhood Plan was adopted in July 2018. In unparished areas, SLDC as the CIL charging authority can spend equivalent amounts in the locality,

¹ <https://www.southlakeland.gov.uk/planning-and-building/planning/community-infrastructure-levy-cil-for-planning-applications/community-infrastructure-levy-cil-charges-exemptions-penalties-and-appeals/>

following engagement with local communities. While all of South Lakeland is parished, these arrangements for unparished areas apply in those parishes which have Parish Meetings rather than Town or Parish Councils. Parish Meetings are not able to receive and spend 'Local CIL'. SLDC has prepared a [CIL Advice Note](#)² for Parish and Town Councils on CIL.

1.3 Planning Obligations

- 1.3.1 Section 106 of the Town and Country Planning Act 1990 enables a local planning authority to enter into a negotiated agreement – a planning obligation - to mitigate the impact of a specific development, to make it acceptable in planning terms. The planning obligation might, for example, require the provision or contribution to a new or improved road, school, health facility or local green infrastructure. Local planning authorities can also seek planning obligations to secure a proportion of affordable housing from residential developments. In some instances, section 106 planning obligations may require payments to be made to parish councils.

2. CIL

2.1 Community Infrastructure Levy Report

- 2.1.1 South Lakeland District Council has a CIL instalments policy, which is set out on our [website](#)³. This allows for CIL to be paid in up to 8 instalments over several years, depending on the size of the housing site.
- 2.1.2 The CIL Demand Notice however, sets out the whole sum payable and the instalments required; therefore CIL Demand Notices issued during a particular year do not necessarily equate to the CIL sums likely to be received during that year, and can take several years to be paid. In addition, developments can be altered through further planning permissions over time, often resulting in revised Demand Notices needing to be issued. Any such re-issued Notices are not double-counted in this report; if a Demand Notice is issued and then re-issued in the same reporting year, only the re-issued Notice would be included within the figure for CIL invoiced during the year.

2.2 Headline Figures

Item	Amount
CIL invoiced (set out in Demand Notices ⁴) in 2019/20	£1,125,282.38
CIL receipts⁵ received in 2019/20	£778,228.26
CIL receipts that CIL regulations 59E and 59F apply to ⁶ (funds received and retained for Parish Meetings)	£209.62
CIL expenditure⁷ in 2019/20 (as passed to Parish and Town Councils and CIL Admin)	£153,951.67

³ <https://www.southlakeland.gov.uk/planning-and-building/planning/community-infrastructure-levy-cil-for-planning-applications/community-infrastructure-levy-cil-policies-in-south-lakeland/>

⁴ Includes late payment or other surcharges, and interest, included in Demand Notices

⁵ Total CIL receipts during reported year which includes any land and infrastructure “payments” received as “In-Kind” CIL payments; any CIL receipts subsequently set aside for CIL administration and ‘Local CIL’ purposes; any CIL surcharges/interest received, and CIL received for any other reason.

⁶ The total amount of CIL that was relevant to CIL regulation 59E (CIL previously paid to a Parish or Town council under CIL Regulation 59A or 59B which has subsequently been recovered from that Parish or Town Council) and CIL regulation 59F (a proportion of CIL set aside to be spent in parishes with Parish Meetings which are unable to receive or spend CIL).

⁷ Actual CIL expenditure during the reported year, regardless of when received, including ‘Local CIL’ allocations both where spent by the charging authority under CIL regulation 59E and 59F, and where passed

Item	Amount
CIL retained⁸ at end of 2019/20 (from all CIL income prior to April 2020, as retained for Strategic CIL, CIL Admin and areas with Parish Meetings)	£1,185,120.93

2.3 CIL infrastructure expenditure⁹ in 2019/20

- 2.3.1 As at 31 March 2020, no CIL had been allocated or spent on strategic infrastructure.
- 2.3.2 However significant elements of strategic infrastructure essential for the delivery of planned growth in the South Lakeland Local Plan have been funded and delivered (or are committed) from a variety of sources. Earlier schemes implemented include:
- £3.4m for highways and transport improvements in Kendal, including road junction improvements and improved cycle routes, funded by Cumbria Local Enterprise partnership (LEP);
 - £4.5m for improvements to the A590 in Ulverston funded by the Cumbria LEP, including a new road access to the Local Plan employment allocation at Lightburn Road, part of which is being developed for a 'Blue Light' hub.
- 2.3.3 In 2021 work is due to start on a £9.3m roundabout on the A590 at Swarthmoor to serve housing sites allocated in the Local Plan for about 1200 homes in Swarthmoor and south Ulverston. Sources of funding for the project include Highways England, Cumbria LEP, developer contributions and South Lakeland District Council (SLDC).
- 2.3.4 In Kendal, discussions continue with Cumbria County Council on the need for expansion of Primary Schools in Kendal, which could benefit from assistance from CIL funding. The latest evidence indicates that further primary school expansions are not required before 2025.

to parish/town councils under regulation 59A or 59B, whether subsequently spent or not by that council. Also includes CIL passed to external organisations under regulation 59(4) whether subsequently spent or not; CIL spent on administration of CIL; CIL "expenditure" in regard to any land and infrastructure payment received as "In-Kind" CIL payments from the point any development on the land is commenced or completed, and CIL refunded due to overpayments.

⁸ Total CIL retained, whenever received and including CIL retained to which regulation 59E and 59F applied.

⁹ 'Infrastructure expenditure' mainly relates to CIL spent by the reporting authority but this section can include details of infrastructure provision undertaken by an external organisation who has been passed CIL funds by the reporting authority under regulation 59(4). The reporting authority should clearly specify in this section any infrastructure provision relevant to regulation 59(4).

2.4 Other CIL expenditure in 2019/20

- 2.4.1 In 2019/20 no CIL was spent repaying money borrowed for strategic infrastructure projects.
- 2.4.2 In 2019/20 £38, 911.41 was spent on CIL administration, representing 5% of the total CIL received in 2019/20.
- 2.4.3 The District Council passed a proportion of CIL (Neighbourhood or Local CIL) to Parish and Town Councils under CIL regulations 59A and 59B in 2019/20, as set out in the following table:

Parish/Town Council	CIL amount provided
Allithwaite & Cartmel (formerly Lower Allithwaite) Parish Council	£3,465.17
Arnside Parish Council	£3,447.08
Beetham Parish Council	£3,172.89
Egton with Newland, Mansriggs and Osmotherley	£14.91
Kendal Town Council	£5,192.61
Kirkby Ireleth Parish Council	£524.89
Kirkby Lonsdale Town Council	£31,473.04
Lower Holker Parish Council	£1,714.13
Natland Parish Council	£58.40
Preston Richard Parish Council	£177.00
Ulverston Town Council	£65,649.32
Urswick Parish Council	£150.82

- 2.4.23 In 2019/20 no CIL was passed to external organisations (other than parish/town councils) under CIL regulation 59(4).

2.4.24 In 2019/20, under Regulation 59E¹⁰, the District Council did not recover any CIL previously paid to a parish or town council. In the same year, under Regulation 59F, the District Council set aside £290.62 to be spent in Hincaster parish, as Parish Meetings are unable to receive or spend CIL).

2.5 CIL receipts retained (allocated¹¹ and unallocated)

2.5.1 The total amount of CIL receipts, received prior to 2019/20, which had been allocated (to an infrastructure project or item), but not spent, by the end of 2019/20: £0.00.

2.5.2 The total amount of CIL receipts, received prior to 2019/20, which had not been allocated (to an infrastructure project or item) by the end of 2019/20: £487,834.12.

2.5.3 The total amount of CIL receipts, whenever collected including 2019/20, which were allocated (whether allocated prior to or during 2019/20) but not spent during 2019: £0.00.

2.6 CIL receipts retained (regulation 59E and 59F)

2.6.1 No notices were served in accordance with regulation 59E (to recover CIL previously passed to a parish or town council¹²).

2.6.2 CIL receipts received in 2019/20 retained at the end of 2019/20 (other than those to which CIL regulation 59E and 59F applied): £662,595.88 (including strategic CIL and CIL Admin).

2.6.3 CIL receipts received before 2019/20 retained at the end of 2019/20 (other than those to which CIL regulation 59E and 59F applied): £518,124.43.

2.6.4 CIL receipts received in 2019/20 to which CIL regulation 59E or 59F applied, retained at the end of 2019/20: £209.62.

2.6.5 CIL receipts received prior to 2019/20 to which CIL regulation 59E or 59F applied, retained at the end of 2019/20: £4,190.32.

¹⁰ Reporting authorities should be clear in this section when infrastructure provision (or provision of “anything else that is concerned with addressing the demands that development places on an area”) was undertaken in respect of regulation 59E and 59F. Parish/Town councils are separately required to report on CIL sums received through regulation 59A and 59B.

¹¹ ‘Allocated’ means CIL sums retained by the reporting authority which have, or knowingly will be, passed to an internal team to fund a specific infrastructure project or infrastructure type. ‘Allocated’ also includes sums which will knowingly be passed to an external organisation but which are yet to be passed.

¹² Reporting authorities are not necessarily required to name any parish/town council to which this regulation applies.

2.7 The (CIL) Infrastructure List

2.7.1 Regulation 121A(1)(a) requires the infrastructure funding statement to include:

“a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) (“the infrastructure list”)”

The District Council published priorities for spending CIL in the [Infrastructure Delivery Plan](#)¹³ (IDP), and its [Executive Summary](#)¹⁴ (August 2017) for the types of infrastructure required to support the delivery of the current [South Lakeland Local Plan](#)¹⁵ (2003-2025). The Council is reviewing its Local Plan documents and will reflect the changing infrastructure needs arising from the review in future revisions to the Infrastructure Delivery Plan and this Infrastructure Funding Statement.

2.7.2 The types of infrastructure projects that CIL should be wholly or partly spent on are listed below, based on the published Infrastructure Delivery Plan and current priorities. This list replaces the CIL Regulation 123 Lists under the CIL Amendment England Regulations 2019 that came into effect 1 September 2019

Projects which are critical or essential to support the delivery of the South Lakeland Local Plan:

- Transport and Air Quality Improvement Measures in Kendal Town Centre and surrounding area to support new development (including those identified at section 2.3 above)
- A590 Ulverston Access Improvements to support delivery of housing and employment development sites (including Swarthmoor Roundabout and those at section 2.3 above)
- Access to employment sites including Scroggs Wood, Kendal; East of Burton Road, Kendal; the Mainline site, Milnthorpe; North of Gatebeck Lane, Endmoor; and the mixed-use regeneration and employment opportunity sites at Ulverston Canal Head
- School place provision where needed to accommodate development at Kendal and Ulverston’s Primary and Secondary Schools, and Cartmel Priory Secondary School

¹⁵ <https://www.southlakeland.gov.uk/planning-and-building/south-lakeland-local-plan/the-local-plan/>

Schemes which are important but not considered critical or essential to the delivery of the South Lakeland Local Plan:

- Highway and Transport Schemes with strategic benefits not directly related to development, including those arising from the Kendal Town Centre Strategy.
- Community Facilities Improvements not directly related to a development.
- Strategic green infrastructure not directly related to a development such as the Lancaster Canal Multi-functional trail.
- Cultural and leisure facilities which are not directly related to a development
- Open Space Improvements to strategic publicly-accessible areas at Lightburn Park Ulverston; Abbot Hall Park, Kendal Castle Hill and Nobles Rest in Kendal; and the Promenade, Park Road Gardens and Ornamental Gardens Grange-over-Sands.
- Kendal and Ulverston Canal Head area regeneration, public realm, heritage and environment projects across district not directly related to a development
- Health Care facilities
- Kendal Parkside Cemetery extension, Arnside Cemetery additional space, Grange Fell cemetery and Ulverston cemetery
- Sustainable transport improvements in Ulverston
- Infrastructure that may support the regeneration/redevelopment of existing employment sites and other sites that would support the strategic objectives of the Local Plan.

3. Section 106

3.1 Planning Obligations Report

Relevant Local Plan policies

- 3.1.1 Core Strategy Policy CS9.2 specifies the Council will through planning condition or obligation (S106) require new developments to secure improvements which are necessary to make the development acceptable.
- 3.1.2 Core Strategy Policy CS6.3 specifies requirements for affordable housing from new development. S106 agreements are used to secure affordable housing either through on-site provision or (off-site) commuted sum.

Items funded or to be funded by S106 monies

- 3.1.3 The majority of S106 agreements are used to fund delivery of affordable housing, open space provision (off-site), highways transport and education. The table below identifies the type of items that Section 106 monies have been used to fund during the reporting year, alongside those to be funded by Section 106 monies in the future. It includes information on the status of delivery.

Item	Status of delivery
Highways Drainage – Improvements to The Square in Burton-in-Kendal in association with wider public realm improvements (Planning Application SL/2017/0992)	Funded and Delivered 2019-2020

3.3 Section 106 infrastructure expenditure²² in 2019/20

3.3.1 The table below sets out:

- The items of infrastructure on which money received through planning obligations has been spent in 2019/20
- The amount of money received through planning obligations, spent on each item

Planning Application reference / Scheme	Infrastructure Item	Monies spent
SL/2017/0992 Royal Hotel, Burton-in-Kendal	Highways Drainage – Improvements to The Square in Burton-in-Kendal in association with wider public realm improvements	£10,229.54
SL/2013/1120 Kendal Rugby Union Football Club, Sainsbury's Supermarket	Bus Service Sunday Kendal Town Centre Service	£4,900

²⁰ Not a regulatory requirement but it is suggested that authorities, for clarity and transparency, report on this.

²¹ Also not a regulatory requirement but it is suggested that authorities, for clarity and transparency, report on this item.

²² Reporting authorities should report sums transferred to external organisations in this section (as such sums are regarded as “spent” in the regulations) and can add details of the infrastructure provided in regard to such transfers of money, where the sums have subsequently been spent.

Planning Application reference / Scheme	Infrastructure Item	Monies spent
SL/2013/1120 Kendal Rugby Union Football Club, Sainsbury's Supermarket	Cycle lane on Shap Road	£102,939.00

3.3.2 S106 monies from housing schemes at Carter Road, Grange-over-Sands and Kendal Parks, Phase 1 and 2 have been spent on open space improvement schemes at Yewtree Playing Fields, Grange-over-Sands and Play area north of Kendal Parks Road, Kendal respectively. Note for reporting purposes 2019-2020 these have been recorded as unspent (to be repaid).

ANNEX A: The Regulatory Requirements for Infrastructure Funding Statements

The Community Infrastructure Levy (Amendment) (England) (No.2) Regulations 2019

Regulation 121A states:

(1) Subject to paragraph (2), no later than 31st December in each calendar year a contribution receiving authority must publish a document (“the annual infrastructure funding statement”) which comprises the following—

(a) a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) (“the infrastructure list”);

(b) a report about CIL, in relation to the previous financial year (“the reported year”), which includes the matters specified in paragraph 1 of Schedule 2 (“CIL report”);

(c) a report about planning obligations, in relation to the reported year, which includes the matters specified in paragraph 3 of Schedule 2 and may include the matters specified in paragraph 4 of that Schedule (“section 106 report”).

(2) The first annual infrastructure funding statement must be published by 31st December 2020.

(3) A contribution receiving authority must publish each annual infrastructure funding statement on its website.

ANNEX B: List of Schedule 2 requirements for the Infrastructure Funding Statement

This table summarises the information in this report relating to income and expenditure in 2019/20 from CIL and S. 106 Agreements.
