Environment and health

Greenhouse gas emissions

Response: This SNN policy will have slight positive effect on Greenhouse gas emissions by making properties easier to locate requiring less wasted mileage from delivery drivers, royal mail and other persons/companies trying to locate the streets and properties.

Alternative ways to deliver proposal

Please show how you are addressing alternative ways of delivering your proposal with a reduced or zero requirement for energy, building space, materials or travel

How are you using the waste/energy hierarchy – 1) avoid, 2) reduce, 3) reuse?

Response: N/A

Air quality

Please demonstrate how your project will have an impact on air quality.

Response:

This SNN policy will have slight positive effect on air quality by making properties easier to locate requiring less wasted mileage from delivery drivers, royal mail and other persons/companies trying to locate the streets and properties.

Biodiversity

Please outline any impacts on biodiversity that your proposal might have

“To halt overall biodiversity loss, support healthy well-functioning ecosystems and establish coherent ecological networks, (create) more and better places for nature for the benefit of wildlife and people”: Biodiversity 2020: A strategy for England’s wildlife and ecosystem services, DEFRA.

Response:

n/a

Climate change impact

How does your proposal mitigate the impacts of climate change?

Assess the risks and impacts associated with climate change (extreme weather events: flooding, heatwaves, droughts and fires) and the implications for our services and

communities. Describe measures in place to embed resilience and recovery.

Response:

This SNN policy will have slight positive effect on reducing Climate Change by making properties easier to locate requiring less wasted mileage from delivery drivers, royal mail and other persons/companies trying to locate the streets and properties.

Active travel

How does the proposal enable active travel?

Encouraging and facilitating walking, cycling and public transport.

Response:

N/A

Economy and culture

Sustainable development

How does the proposal contribute to inclusive and sustainable development?

Response:

N/A

Pay

How does the proposal impact on jobs and levels of pay?

Response:

N/A

Healthier high streets

Demonstrate how the proposal contributes to healthier high streets.

Response:

N/A

Culture, creativity and heritage

How does the proposal impact on culture, creativity or heritage and if not can they be embedded in this proposal?

Response: N/A

Over-type your response here

Housing and communities

Housing standards

Does the proposal lead to an improvement in the standard of housing?

Response:

N/A

Access to housing

How does the proposal increase access to housing?

Response:

N/A

Crime and fear of crime

How does the proposal reduce crime or fear of crime?

Response:

N/A

Social connectedness

How does the proposal increase social connectedness?

Response:

N/A

Health and sustainability impact summary

Each category is rated either: Positive, Negative, Neutral, or unknown

Environment and Health

Greenhouse gases emissions: Type rating (e.g. Positive) for categories below

Air Quality: Positive

Biodiversity: Neutral

Impacts on climate change: Positive

Reduced or zero requirement for energy, building space, materials or travel: Neutral

Active travel: Neutral

Economy and Culture

Inclusive and sustainable development: Neutral

Jobs and level of pay: Neutral

Healthier high streets: Neutral

Culture creativity and heritage: Neutral

Housing and communities

Standard of housing: Neutral

Access to housing: Neutral

Crime: Neutral

Social connectedness: Neutral

Health and sustainability action plan

What actions will be taken to eliminate or minimise any negative impacts identified above?

Actions	Who's responsible	Completed (Date)
N/A	N/A	01/01/01
N/A	N/A	01/01/01

What positive actions will be taken to advance health or sustainability?

Actions	Who's responsible	Completed (Date)
N/A	N/A	01/01/01
N/A	N/A	01/01/01

Research

Evidence, research and other sources of information used to inform the Impact Assessment.

N/A

Consultation

Details of any specialists or groups that you have discussed this proposal with and the advice/information provided.

Please see Appendix 2.
