Subject: Re: Hackney Fare increase 5.4%

Dear Neil,

Thank you for that, and sorry for the nuisance.

In that case can I please register a formal objection now?

I would like to object to the proposed fare increase of 5.4% as being inadequate for our needs.

Best wishes,

Sarah

Subject: Objection to taxi fares proposal.

To one who might concern,

Regarding to approved variation to the table of fares in respect of Hackney Carriages, I would like to make official objection. Scale of fares increase is unsuitable for current costs of living in UK (and especially Lake District) and voice of taxi drivers asking for more suitable fares increase, has been ignored.

Below are two lists (in 3 pages) scanned documents are signs of taxi drivers (mostly from Windermere area), and digital signs are member of public from SLDC area. All of them agree that prices of taxis are currently too low and should be increased more than proposal shows. We all agree that, prices should match our proposal, presented below.

Description	Tariff 1 (£)	Tariff 2 (£) +50%	Tariff 3 (£) +100%
For the whole distance (1 mile or part thereof)	4:50	7:25	9:00
For each subsequent 1/10 mile	0:35	0:52	0:70

Appendix A

Waiting time – for each period of one minute	0:50	0:75	0:60
2 mile journey costs	8:00	12:00	16:00
