1.0 Expected Outcome and Measures of Success

1.1 This report is presented to show the results of the annual review of the Committee's effectiveness, carried out using principles established by CIPFA, the Chartered Institute of Public Finance and Accountancy. The review uses a questionnaire approach: its conclusion is that the Committee continues to operate effectively.

2.0 Recommendation

2.1 It is recommended that Audit Committee:-

- (1) considers and approves the review and its conclusion that the Committee is operating effectively in all material respects; and**
- (2) notes the skills framework for members of Audit Committee in Appendix 3.**

3.0 Background and Proposals

3.1 The Committee's work programme requires it to review its own effectiveness on an annual basis. Unlike the review of internal audit, this is not a statutory requirement but an element of best practice. The review will provide assurance for the Annual Governance Statement.

3.2 The Committee's latest annual report, prepared in April 2022 for the 2021/22 elsewhere on this agenda, is a useful starting point for the review but it tends to be descriptive rather than analytical and a different approach is required to test effectiveness. CIPFA published updated Practical Guidance for Local Authority and Police Audit Committees in 2018 which includes a checklist to assess the effectiveness of Audit Committees, which is included at Appendix 1 and an evaluation tool included at Appendix 2 along with responses prepared by officers.

3.3 The Guidance includes the suggestion that a lay or independent member should be included in Audit Committees although this is not a requirement. However, the Audit Committee operates with a high level of challenge to officers. Members considered whether it is appropriate for an independent member to be sought at the meeting of

Audit Committee in December 2018 and concluded there was no need for an independent member.

- 3.5 The review concludes that, with the exception of the inclusion of an independent member, the Committee can demonstrate that it has been established in accordance with best practice and that, while operating without an independent member, it has operated effectively during the last year.
- 3.6 The Committee should be alert to any changes in its membership and the expertise of its Members so that it can arrange suitable training. Appendix 3 includes a skills framework for members of Audit Committee also produced by CIPFA.
- 3.7 The Practical Guidance includes possible wider functions of an audit committee. The questionnaire in Appendix 1 includes a question of whether these possible wider functions have been considered by Audit Committee.

These functions are:

- a) Considering governance, risk or control matters at the request of other committees or statutory officers;
- b) Working with local standards committees to support ethical values and reviewing the arrangements to support those values;
- c) Reviewing and monitoring treasury management arrangements in accordance with the CIPFA Treasury Management Code of Practice.

Audit Committee does support some work of the Standards Committee to support ethical values, particularly around reviewing whistleblowing arrangements. For this Council the treasury management scrutiny function is carried out by the Overview and Scrutiny Committee. The terms of reference do not refer to requests for consideration of matters from other committees or statutory officers: any such proposals should be considered on a case-by-case basis bearing in mind the need to maintain the independence of the Audit Committee.
