**1.0 Expected Outcome**

1.1 This report provides a summary of the progress in delivering the Internal Audit Annual Plan in 2021/22. It provides the Committee with assurance through the individual internal audit reports for work carried out to date.

**2.0 Recommendation**

**2.1 Members of the Audit Committee are asked to note:**

- The progress achieved in 2021/22 in completing the Audit Plan and the outcomes of completed audit reviews set out in **Appendix 1**.
- The attached audit reports at **Appendix 2**.
- Summary progress achieved in implementing recommendations from previous internal audit reviews set out in **Appendix 3**.

**3.0 Background and Proposals**

3.1 All local authorities must make proper provision for internal audit in line with the 1972 Local Government Act. The Accounts and Audit Regulations 2015 require that the Council undertakes an effective Internal Audit to evaluate the effectiveness of its risk management, internal control and governance processes, taking into account the Public Sector Internal Auditing Standards (PSIAS).

3.2 Internal Audit is responsible for providing independent assurance to the Council's senior management and to the Audit Committee on the systems of governance, risk management and internal control.

3.3 It is management's responsibility to establish and maintain internal control systems and to ensure that resources are properly applied, risks appropriately managed and that outcomes are achieved. Management is responsible for the system of internal control and should set in place policies and procedures to ensure that controls are operating effectively.

**4.0 Progress against the 2021/22 Internal Audit Plan**

- 4.1 The Internal Audit Plan was approved by the Committee in April 2021.
- 4.2 The progress report at Appendix 1 provides the Committee with a summary of the position as at April 2022.
- 4.3 As we enter a new financial year, 13 out of 14 reviews have been completed, 12 of which have been finalised and one of which is at the draft report stage. Fieldwork on the one remaining audit in 2021/22 has commenced. These reports will be presented to the July 2022 Audit Committee meeting.

## **5.0 Audit reports completed in the period**

- 5.1 Appendix 2 contains the executive summaries of the five audits completed in the period:
- Budgetary Control;
  - COVID-19 Grant Schemes;

## **6.0 Follow up of internal audit recommendations**

- 6.1 The latest summary position relating to the implementation of outstanding recommendations is set out in Appendix 3.

## **7.0 Alternative Options**

- 7.1 There are no alternative options; the Accounts and Audit Regulations 2015 require that the Council undertakes an effective Internal Audit to evaluate the effectiveness of its risk management, internal control and governance processes, taking into account the Public Sector Internal Auditing Standards (PSIAS).
