

**Annual Report for
South Lakes Business Against Crime Partnership**

The South Lakes Business Against Crime Partnership was set up to be a conduit between Cumbria Police and all local businesses. One of their main functions is to lead on the local Pubwatch schemes.

Due to Covid restrictions, there weren't any meetings between March 2020 and September 2021. I attended my first meeting on 30th September 2021. A further meeting was held on 8th March 2022.

Any expenses incurred in attending these partnership meetings have to be covered by SLDC. Expenses claims are restricted to mileage claims from home to Kendal and back.

Councillor Pete McSweeney – 31/3/2022
